

AXPERT 5000VA 4KW/48V SOLAR INVERTER CHARGER + 3000W MPPT

Product Description

- Pure Sinewave Inverter
- Build-in MPPT Solar Charge Controller
- AC/Solar input Priority
- Auto Restart While AC Recover
- Overload & Short Circuit Protection
- Smart Battery Charger
- Cold Start Function
- Parallel Operation up to 6 units
4000VA/5000VA Models
- Optional Remote Control

1 YEAR WARRANTY

Specifications

Surge Power	10 000VA
Efficiency	93%
Input Voltage	230VAC
<u>Battery & AC Charger</u>	
Battery Voltage	48V
Float Charge Voltage	54V
Overcharge Protection	60V
<u>Solar Charger & AC Charger</u>	
Max PV Array Power	3000W
MPPT Range @ Op Voltage	60VDC – 115VDC
Max PV Array OC Voltage	145VDC
Max Solar Charge Current	60A
Max AC Charge Current	60A
Max Charge Current	120A
Transfer Time	10ms / 20ms
Operating Temp	0 Deg C – 55 Deg C
Optional Remote Control	
Dimensions	140mm x 295mm x 540mm
Weight	13,5 Kg
